PROJECTS

Traveloop – Travel Companion App

2024

Traveloop is a travel companion app that helps users plan trips, book taxis/hotels, view maps, and manage payments—all in one place. It gives location-based recommendations and allows users to create their own travel itinerary.

Healthcare Data Access System

2025

A secure healthcare platform enabling hospitals to access patient medical records during emergencies using role-based authentication and cloud technologies.

EXPERIENCE

Sales Intern – Teckconnect

Feb 2026 – Present

Working on promoting cloud and cybersecurity solutions including Microsoft 365, AWS, Azure, and Acronis through cold calling and professional messaging. Using Zoho CRM to manage leads, customer interactions, and follow-ups.

Intern – Octanet Pvt Ltd

1 Month

Worked with cross-functional teams to improve the responsiveness and user experience of a client-facing web platform. Contributed to UI improvements and collaborated closely with developers and designers to enhance usability.

ACHIEVEMENTS & CO-CURRICULAR ACTIVITIES

- **Event Coordinator:** Organized and managed several college events; coordinated logistics and volunteer teams.
- **Class Committee Member (2022–2025):** Served as a bridge between students and faculty.
- **Hackathon Recognition:** Secured a top 10 position at VIT Pitchathon among 70+ teams.

CERTIFICATIONS
